the many certificates, and published to show the estimation from actual use:

JERSEY CITY, Dec. 17, 1851.

Horace H. Day, No. 25 Courtiandtest, N. Y.—Dear Sir: I take great pleasure in stating to you, in answer to your inquiry in regard to the India Rubber Hose furnished by you for the New-Jersey Railroad and Transportation Company, that we have found it of the very best description, and to answer much better purpose than either leather or canvas. It is not only more durable, but in the end the most economical. We have now rubber hose on some of our locomotives that we purchased of you two years ago, which has been in constant use and is still as good as ever, and I have found your four-ply to stand pressure of 150 lbs. to the square inch. Yours, very respectfully, JAMES McFARLAND, Superintendent Motive Power for N. J. R. R. Trans. Co.
